Case No. 2:17-cv-02532-RFB-GWF

ORDER

14 This matter is before the Court on Plaintiff's Response to Defendants' Second Motion for
15 Extension of Time to File Responsive Pleading (ECF No. 47), filed on February 7, 2018.

16 Plaintiff represents that it received Defendants' second motion for extension of time on
17 February 5, 2018, which is attached as Exhibit A to Plaintiff's response. However, Defendants'
18 second motion for extension of time was never independently filed on the docket. Defendants'
19 proposed motion requests a 90-day extension of time to obtain counsel and file a responsive
20 pleading to Plaintiff's complaint. Plaintiff, however, is only willing to give Defendants a three day
21 extension of time to respond — from February 6, 2018 to February 9, 2018— because this case has
22 been pending for over four months. *Response* (ECF No. 47), 2. Upon review, the Court finds that a
23 two week extension of time, measured from February 9, 2018, is warranted. Accordingly,

24 **IT IS HEREBY ORDERED** that Plaintiff's Response to Defendants' Second Motion for
25 Extension of Time to File Responsive Pleading (ECF No. 47) is **denied**.

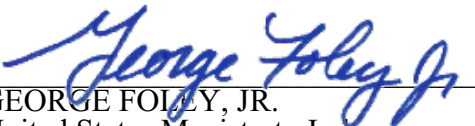

26 ...

27 ...

28 ...

1 **IT IS FURTHER ORDERED** that Defendants' shall file a responsive pleadings no later
2 than **February 23, 2018**. The Court will no grant a further exception unless extraordinary
3 circumstances are present.

4 DATED this 7th day of February, 2018.
